

JOB DESCRIPTION

Payroll Advisor

Salary: £27,000 to £32,000 per annum

Reports to

Deputy Payroll Manager

Role Overview

To support One Education's payroll customers by providing a high-quality end-to-end payroll service. Work as part of the payroll team based predominantly in the Manchester-based office.

Job Description

Main Duties

1. Ensuring adherence to all relevant statutory requirements, including all HMRC and pension scheme requirements.
2. Providing an effective service in ensuring 100% payslip accuracy.
3. Ensuring that all payroll deadlines are adhered to.
4. Meeting the needs of payroll clients by maintaining high levels of customer satisfaction.
5. Fostering and maintaining effective relationships with customers at a senior level.
6. Creating and maintaining employees' payroll records. Liaising with customers to process payrolls throughout the month.
7. Investigating all employee and HMRC payroll related queries and assisting with pension-related queries.
8. Maintain payroll processing system and records by gathering, calculating, and inputting data in itrent payroll software.
9. Calculating SSP, SMP, SPP and other payments and deductions as required (e.g. student loans, travel loans, expense payments, salary sacrifices).
10. Processing employee changes in accordance with various national and local terms of conditions of employment.
11. Taking responsibility for monitoring cut-off dates and ensuring all information is received and inputted in advance of the prescribed deadlines.
12. Processing all P45's, P60's, P11D's.
13. Meeting statutory and organisational requirements relating to confidentiality and data protection.

General Duties

1. To take responsibility for your own personal development and updating your payroll knowledge, with support from One Education, to perform the role at an effective level.
2. To implement positively and ensure compliance with One Education's policies, procedures, codes of practice and initiatives relating to Equality and Diversity, Customer Care, Health and Safety, Data protection and confidentiality of information and financial regulations.
3. To perform duties not specifically identified in the job description but which are in line with the general responsibilities of the post.

Person Specification

Essential Requirements:

- Significant experience of working in a payroll environment.
- Demonstrable knowledge of HMRC regulations, including statutory payments, PAYE and RTI.
- The ability to use your knowledge of payroll legislation and organisational policies to effectively resolve high volumes of payroll queries.
